An Angel's Advice

An Angel says, 'Never borrow from the future. If you worry about what may happen tomorrow and it doesn't happen, you have worried in vain. Even if it does happen, you have to worry twice.'

1. Perform all your salaah's everyday & read the Qur'aan daily with understanding
2. Go to bed on time.
3. Get up on time so you can start the day unrushed.
4. Say no to projects that won't fit into your time schedule, or that will compromise your mental health.
5. Delegate tasks to capable persons around you.
6. Simplify and unclutter your life.
7. Less is more. (Although one is often not enough, two are often too many.)
8. Allow extra time to do things and to get to places.
9. Pace yourself. Spread out big changes and difficult projects over time; don't lump the hard things all together.
10. Take one day at a time.
11. Separate worries from concerns. If a situation is a concern, find out what ALLAH would have you do and let go of the anxiety. If you can't do anything about a situation, forget it.
12. Live within your budget; don't use credit cards for ordinary purchases.
13. Have backups; an extra car key in your wallet, an extra house key buried in the garden, extra stamps, etc.

14. Keeping One's Mouth Shut. This single piece of advice can prevent an enormous amount of trouble.

15. Do something for the Kid in You everyday.

16. Carry an English QURAAN with you to read while waiting in line. You don't have to have wudhu to read, learn & implement the most beautiful words in the world.

17. Get enough rest.

18. Eat right.

19. Get organized so everything has its place.

20. Listen to a tape or CD while driving that can help improve your quality of life.

21. Write down thoughts and inspirations.

22. Every day, find time to be alone.

23. Having problems? Talk to ALLAH on the spot. Try to nip small problems in the bud. Don't wait until it's time to go to bed to try and pray.

24. Make friends with ALLAH fearing people.

25. Keep a folder of favorite hadith on hand.

26. Remember that the shortest bridge between despair and hope is often a good 'Thank you ALLAH'

27. Laugh.

28. Laugh some more!

29. Take your work seriously, but not yourself at all.

30. Develop a forgiving attitude (most people are doing the best they can).

31. Be kind to unkind people (they probably need it the most).

32. Sit on your ego.

33 Talk less; listen more.

34. Slow down.

35. Remind yourself that you are not the general manager of the universe.

36. Every night before bed, think of one thing you're grateful for that you've never been grateful

for before. ALLAH HAS A WAY OF TURNING THINGS AROUND FOR YOU.

'If ALLAH is for us, who can be against us?'
